

Resource Guide Spring 2025

Introduction

The Ontario Universities' Guidance Dialogues are perennial events dedicated to delivering admission and recruitment updates between Ontario universities and high school guidance counsellors. University representatives and counsellors alike collaborate at Guidance Dialogues to share feedback, network and engage in topical issues in support of their shared goal to promote high school students' access to Ontario universities.

The Guidance Dialogues Resource Guide is brought to you by the General Committee on Student Recruitment (GCSR) in partnership with the Ontario Universities' Application Centre (OUAC). This Resource Guide was designed at the request of Ontario guidance counsellors and is written for them rather than students. The best resource for your students is Ontario Universities' Info (OUInfo): www.ouinfo.ca.

We hope this guide helps answer your frequently asked questions.

Sincerely,
The GCSR and the OUAC

Introduction

Les Dialogues entre les conseillers et les universités de l'Ontario sont des événements vivaces et consacrés à la mise à jour, par les universités de l'Ontario, des renseignements sur les admissions et le recrutement aux conseillères et conseillers des écoles secondaires. Des représentantes et représentants des universités et des conseillères et conseillers collaborent aux Dialogues dans le but de partager leurs rétroactions, de réseauter et de se pencher sur des questions d'actualité, avec un objectif mutuel de promotion de l'accès aux études universitaires ontariennes par les élèves du niveau secondaire.

Le Guide de ressources, Dialogues vous est présenté par le General Committee on Student Recruitment (GCSR), en partenariat avec le Centre de demande d'admission aux universités de l'Ontario (« OUAC »). Ce Guide de ressources a été conçu à la demande des conseillères et conseillers en orientation de l'Ontario et s'adresse à ces derniers plutôt qu'aux élèves. La meilleure ressource à consulter par les élèves est Info des universités de l'Ontario (Info-UO) : www.ouinfo.ca/fr.

Nous espérons que ce guide aide à répondre à vos questions les plus fréquemment posées.

Cordialement,
Le GCSR et l'OUAC

Admission and Transition Information

Fall Offer of Admission

- Students should add Queen's (@queensu.ca) to their safe senders list as soon as they apply. We will send acknowledgement of application(s), as well as offer(s) of admission, only via email.
- We make offers on a rolling basis from November to mid-May.

Alternative Offers of Admission

- We do not make alternative offers of admission.

Accessibility Services

- Students who received accommodation in high school for reasons of a documented disability should contact Queen's Student Accessibility Services to speak with an advisor about their needs.

Grade 11 Grades

- We will consider Grade 11 grades if grades in required Grade 12 courses are unavailable.

Supplemental Application

- A high school transcript is just 1 piece of information we use when making an admission decision. Each applicant to Queen's has a To-Do List specific to them, detailing exactly what we need to complete their application. Students can see their To-Do List (and the due dates) on their SOLUS Student Centre. We will send students SOLUS access information after they apply.
- Applicants to Commerce, Nursing and Health Sciences must submit the Supplementary Application by the February 15 deadline (past). Upper-year applicants to Commerce and Health Sciences are also required to submit a Supplementary Application.
- The Music program requires a personal audition, interview and theory test.

Ranking on OUAC Application

- We do not consider OUAC ranking when we make offers of admission.

Tuition Deposit

- International offer holders are required to pay a non-refundable tuition deposit of \$2,500 to secure their seat and receive the documentation required for their study permit application.

First-year Course Selection Process

- We will contact students during the summer months to facilitate course selection.
- Students admitted to Commerce, Engineering, Health Sciences or Nursing are automatically enrolled in all first-year core courses.

English Proficiency Requirements

- Applicants who attended a school where English was the primary language of instruction for 3 consecutive years immediately prior to their attendance at Queen's are generally not required to submit a test of English proficiency.
- Students required to submit standardized English-language test scores may submit:
 - CAEL (70 overall with no band below 60)
 - Cambridge English (minimum 175 with no component below 170)

Admission Policies

Advanced Placement (AP) and International Baccalaureate (IB)

- AP: We may grant transfer credit for AP exams completed to a maximum of 18.0 units.
- IB: Applicants completing the full IB diploma are eligible for admission based on their Ontario percentage grades or IB predicted scores. We will consider all IB applicants, including those completing certificates, for transfer credit for Higher Level courses, to a maximum of 18.0 units.
- www.queensu.ca/admission/applying/transfer-credits

Deferral

- Applicants with extenuating circumstances who accept an offer of admission may request a deferral of admission to that program for a period of 1 year.
- We consider requests based on final grades and the reason provided by the student. If we grant a student a deferral, they may not attend another postsecondary institution during their deferral year. The deferral application will open in the summer.

Repeated Courses

- We use the grade from the most recent attempt to calculate the admission average.

Special Consideration

- If a student is applying from high school to a first-year, first-entry, full-time program for fall admission and there are factors that clearly demonstrate significant extenuating circumstances, beyond their control, that have affected their academic performance over the past 2 years, they will need to complete an online form and attach supporting documentation by March 31, 2025.
- Indigenous and first-generation applicants may request consideration under the Indigenous Admission Pathway or the First-Generation Admission Pathway. We must receive requests by March 31, 2025.
- QBridge: Academically competitive applicants to Queen's undergraduate programs who do not meet our English-language proficiency requirements will be automatically evaluated for our QBridge pathways.

Transfer Credit
