

Student Transfer Between Schools

2020-2021

If you hold the Ontario Student Record (OSR) for a new student, use this form to transfer their OUAC account to your school.

Provide **all** of the following information for the student who is transferring to your school. The OUAC will process the student transfer once we verify the information below with the previous high school.

Note: We cannot transfer the account until the student submits their 101 application.
